Vignette Copy

(One copy per award application)

Please provide a single copy, 500 word summation describing the business, professional goals, and history in the community. This will be used for the vignette by CTV in the event that the applicant is designated as a finalist for this Award.

Phone Number: E-mail:

In an effort to retain the very high quality of this program, CTV as our top sponsor, has donated the writing time and filming crews to produce the vignettes used at our Gala. These vignettes are 'commercial' like descriptions of your business complete with on-site film footage of your company. In order to provide the CTV film and production crews with all the necessary information we ask that you submit a description (completely separate from your application) about your business, what you do, and how you do it. This is your opportunity to tell our community all about your products and services - as they relate to the category(s) you have applied in.

Once the finalists are announced at the Finalist Reception, a filming date will be booked by CTV with your company. All the finalists in each category have the opportunity to work with CTV. They will then combine the written copy you have provided with the film footage taken at your business - this *vignette* will be used at the Gala Awards Banquet to describe each of the finalists in all of the categories.

Description of Business:

You may want to try to include answers to the following questions in your summation to help you get started in the writing process. These are aids only; feel free to describe your business with as much or as little detail as you are comfortable:

- How long has the company been established?
- How has the company grown in the last year: financially, by number of employee's, by number of locations, etc.?
- What systems are in place for future growth?
- What external and internal factors contributed to the growth of the business?

Maximum of 500 words. Provide one copy upon submission of applications to the Greater Saskatoon Chamber of Commerce. Copy will be forwarded to CTV for possible vignette use.

(PLEASE USE A SEPARATE SHEET OF PAPER TO ANSWER).
